**From M25/Dartford Bridge:** Either take the A2 towards Dover, as above, or proceed as follows: When crossing the bridge keep in the left hand lane, and use one of the three left hand toll booths. Take immediate left turn (signposted Swanscombe and Industrial Estates). There is a roundabout almost immediately; go straight across (signposted A206/A226 to Swanscombe). Follow the road across several roundabouts until one at a T-junction, with Asda on your left.
